Mayor A. Witt called the meeting to order at 5:06 PM. Zachary Parker told the Council he would like to put a 4 foot sidewalk on the East side of his building at 109 E. Glaydas starting from the sidewalk that runs on Glaydas and connects to the back of the building in the alley. Zachary would relocate sprinklers if needed and remove bush that's next to the building. He would also like to put an AC unit on the sidewalk. W. Hofferber is concerned about the liability with the AC Unit on the sidewalk, J. Farley suggested a fence around the unit. M. Clement asked if it would be an issue for the Hooker Market vendors to set their booth on the concrete, Zachary said it wouldn't be an issue. J. Farley made a motion to grant a 4 foot easement request from Zachary Parker with Parker CPA & Company, PLLC. AC unit is to be placed on the Southeast back corner by alley with a barrier around it. M. Clement seconded the motion. All voted in favor. Motion carried.
